

The 161st Air Refueling Wing is currently accepting Rated Pilot applications for a January Board. Hiring is selective but extra considerations will be given to current and qualified KC-135 pilots. Applicants should have ties to the area and be willing to deploy up to 60 days every 2 years.

Preferred qualifications:

Experienced KC-135 Instructor/Evaluator Pilots and Aircraft Commanders are preferred, although, we are accepting applications from non-KC-135 pilots as well. Other DOD services are welcome to apply but waivers are becoming challenging and Air Force rated pilots will be given ultimate priority. Unfortunately Army applicants with no MILITARY fixed wing experience are not able to but can apply for an Undergraduate Pilot Slot (UPT) at a later date.

Prerequisites:

- No UCMJ Actions, DWI/DUI, or a history of drug/substance abuse
- Last military flight was no more than 36 months ago
