

RIDESHARE OR DELIVERY SERVICE

Drivers without a valid installation access ID will not be permitted to enter the installation. In such cases, passengers or fares will need to be dropped off at the main gate.

Additionally, please note the following:

- Security Forces members working at the main gate are not authorized to receive food deliveries or other packages.
- Drivers are not considered trusted travelers and cannot access the installation by being escorted by their fare. A valid installation access ID is required for all drivers.
