

VALID FORMS OF IDENTIFICATION

Starting May 7th, 2025, only REAL ID-compliant driver's licenses or identification cards will be authorized for use to access Goldwater Air National Guard Base (ANGB). Visitors with non-REAL-ID driver's licenses or state-issued identification cards must provide an approved identity source document or combination thereof to access the installation.

Identifying Non-REAL IDs

Non-REAL IDs typically bear markings such as "Not Valid for Federal Purposes," "Not For Use as Federal Identification," or "Federal Limits May Apply." If you possess a non-REAL ID, you will need to provide a combination of other identifications to access the base.

Visitor Access Requirements

To receive base access, visitors to Goldwater ANGB must provide one of the following:

- One REAL ID-compliant identification card
- Two other original forms of valid identification, with at least one from the list below:
 - DoD Common Access Card
 - DoD USID Card The second form of identification can be from the above list or can be a social security card or birth certificate.
